March 2021 Perky Pages

## PRESIDENTS MESSAGE

Dear BPW Sisters,

Welcome to March! This is the month with lots of green shamrocks – but, more importantly – it is Women's History Month!! It comes in like a Lion with all this snow still on the ground. We get daylight savings time back, which means we may be able to be outside after work a little more.

I am very excited for the Women in History presentation this month! Once again, our meeting will be via zoom, but that means

that we can all see the great message clearly – as we will all be able to see it together.

We are holding the Women in History essay contest for high school students residing in the Upper Perkiomen district this year. Last year was a little difficult to hold the contest, as we were at the beginning of this “unprecedented year”. (I can’t stand that phrase although it is most appropriate.) For 2021, it will still have its difficulties, but we’ve become more accustomed to the virtual world. It is very hard to believe that one year ago, we had no idea how much our world would change!

We will continue to do a poll to see when the group is ready for in-person meetings. We don’t want to have Valley Café open for us if we are not ready.

I can’t wait for our meeting and learning about more important women from history on Monday, 3/8!

Love Through BPW  
Alice Hager  
Upper Perkiomen BPW President
