## **Big Balloon Build**

Supporting fellow members is a priority in all we do. Each of members bring something special to our group. Denise Chresos, who has amazing floral and balloon building skills is hosting The Big Balloon Build in November 2024. Funds raised will support the United Way of Indiana County. This once in a lifetime hosting event brings together balloon artists and charities to create a Balloon World. In support of Denise, fellow members attended the Meet and Greet held at Levity on November 16 and were able to meet James Stuart Davies and learn more about what is coming. Good luck Denise and we are all here to help and support you!

# Why Birdie's Closet?

Every year, we hold our large fundraising event to help support Birdie's Closet, but why? Here is some information about Birdie's Closet. We are helping to make sure everyone who goes there for help and resources is able to receive that.

Birdie's Closet is located at Indiana Regional Medical Center inside the M. Dorcus Clark M.D Women's Imaging Center. Birdie's Closet was named in Honeor of Birdie Hintemeyer of the Bork Family Foundation. Birdie's Closet serves as a resouce center for women who are going through cancer treatment and to also help women deal with appearance-related side effects. While at Birdie's Closet, women are able to try on hats, wigs, make up and prosthesis bras. For more information regarding Birdie's Closet, call 724-357-8081

## UPCOMING FUNDRAISER FOR SARAH'S PRESIDENCY

We are looking to hold a fundraiser to raise funds for Sarah's Presidency in February 2024. We are able to have the Indiana Mall Community Room at no cost which includes tables, chairs, podium and fits 100 people. Damsel in Defense will be the presenter. We will hold a 50/50 and basket raffle to raise money. If you would like to join the planning committee, please email [wilsonm@infirstbank.bank](mailto:wilsonm@infirstbank.bank)
